LIGHT OF CHRIST MEDAL

Congratulations to **ERIC BURDGE, THEO SLEPSKI, CHANDLER MOORE** and **MICHAEL JANDRISEVITS** who were awarded the Light of Christ Medal at the 9 AM Mass last weekend. The award is the first of five religious emblems available for Catholic youth involved with Scouting. It is designed to be a stepping stone to the other emblems, which are available to Scouts through grade nine. We pray that each of the Scouts who received the Light of Christ emblem will continue to achieve all of the religious awards available to them and thereby form a deep and lifelong friendship with Jesus

#### GENIUS AT WORK

At the conclusion of Mass, the parishioners filed out of the church to greet the priest. As one of them left, he shook the priest's hand, thanked him for the homily and said, "Thanks for the message, Father. You know, you must be smarter than Einstein." Beaming with pride, the priest said, "Why, thank you!"

As the week went by, the priest began to think about the man's compliment. The more he thought, the more he became baffled as to why anyone would deem him smarter than Einstein. So he decided to ask the man the following Sunday.

The next Sunday he asked the parishioner if he remembered the previous Sunday's comment about the homily. The parishioner replied that he did. The priest asked, "Exactly what did you mean that I must be smarter than Einstein?"

The man replied, "Well, Father, they say that Einstein was so smart that only 10 people in the entire world could understand him. But Father, no one can understand you."
