*Young people are gifted and resourceful individuals who have the potential and the right to be active leaders in our Church Community. The Christian Leadership Institute helps a young person discover their gifts and learn new skills which EMPOWERS them to take on leadership roles in their parish, school or diocese.*

**PROGRAM DATES:**

**Winter: Feb. 16 – 20, 2009**

**Summer : Jun. 28- Jul 2, 2009**

**WHAT IS C.L.I.?**

The goal of the Christian Leadership Institute is to foster the leadership potential of each individual. This not only occurs through the learning of technical skills but together with our call as disciples of Jesus to be a voice for the voiceless, hope for the hopeless and light for all people.

**WHO SHOULD ATTEND?**

The Institute is designed for young people in their **Sophomore through Senior** year of high school (minimum age of 15) who are now involved or preparing for a leadership role in their parish, school or community. Two youth per parish may attend. Participants **MUST** be mature, focused, and able to take direction as well as contribute to the group learning, knowledgeable about their faith and willing to grow in their understanding of the role their faith plays in daily life and decisions.

EACH Parish is asked to send ONLY 2 Youth. If there is space additional youth may attend from the same parish. This allows us to have a diverse group of young people from throughout the Diocese.

**THE PROGRAM**

The Institute offers an opportunity for Christian leadership development through an intensive period of learning, prayer and community living.

The staff of the Office of Evangelization, Catechesis & Family Life and an experienced team of youth ministers from the Diocese staff CLI. Workshops include

- Christian Leadership
- Communication
- Group Dynamics
- Decision-making
- Planning Skills

The program runs for five days and happens in the winter and summer. Winter CLI is held at Adirondack Center, St. Johnsville. Summer is held at Pyramid Life Center, Paradox NY .

**THE DIFFERENCE**

During the five-day program young people experience

- ❖ Community Living
- ❖ Daily Spiritual Reflection
- ❖ Interdependence
- ❖ Eucharistic liturgy planned by youth
- ❖ A variety of prayer experiences
- ❖ A chance to share their faith with other like minded people

**NOTE:** Participants must be able to attend the entire institute and may not arrive after the opening session or leave early.
