All readings are in the Lector Workbook and each lector should be able to read either/both readings at Mass. **Please check in at least 10 min before Mass, to avoid accidentally being replaced.**

**Please do not cross in front of the presider and deacons. Use the side aisle if you are returning to another seat after you read. I am asking everyone to sit in the first pew near the ramp prior to your reading.**

Please do not rush as you process down the main aisle. As you approach the altar, move to the left to reverence the altar as the celebrant does.

It is your responsibility to find a replacement or switch if you are not available to read. Please contact Chris Hannan if you are not able to find a replacement. Switching with another lector will allow you to not miss lectoring on the schedule.
